BOOT WASH

X-BOOT

BASIC WITH DECANTATION

The **X-Boot Basic with Decantation** is equipped with 4 washing. The settling system allows you to separate the water from the sludge and make them stay on the bottom of the tank, this is easy to dispose of and ensures a cleaner working site.

100%
water recycling

Water saving
20.000 l/week

Long maintenance
intervals

X-Boot basic with decantation
